

Tremblers Traveling Team

This is to advise the player and the parents of the few rules the Tremblers traveling team have. **The first is to advise that the daughter and parent named on this form have been notified that you may or may not play in every game.** What this means is that you could sit on the bench for an entire game or games. The Tremblers play by different rules and regulations than league. Players will be played at the appropriate time decided by the Manager or Coach of the team. If a parent needs to speak to the Manager or Coach this will be done at an appropriate time (NOT DURING A GAME). There will be more practices than league and you could be benched for tournament games for being a “no show” at practice. The practices are more intense since the teams we will play against will be very competitive. Once again, this is a very competitive time for softball and the cooperation of players and parents will be needed.

Tremblers play several weekends during the summer. Anywhere from 4 to 8 weekends from May to August depending on the Manager of the team. The fee to play Tremblers is between \$250.00 to \$500.00 per person (depends on age division). A deposit of \$150.00 is made by the first practice. This deposit is needed to purchase the uniforms. The parents are responsible for the hotel cost if the team has an overnight stay out of town. This again depends on the Manager of the team. The Manager picks his/her own tournaments to go to. If the deposit is not paid the uniform will be held until the deposit is made or arrangements made with the Trembler coordinator.

Uniform consist of..... two shirts, Pants, two socks (red & black). This may change depending on team.
